

City of Monroe

Flooding Mitigation Informational Meeting

- **WHAT:** An open house forum with City staff to discuss recent storm events and future mitigation strategies
- **WHEN:** Thursday, September 25 from 6:00 to 8:00 P.M.
- **WHERE:** City Council Chambers, 120 East First Street
- **WHY:** To offer City residents an opportunity to interact with City staff on a variety of mitigation strategies and obtain information on recent system improvements and projects
- **Presentation at 6:00 P.M. by Dan Swallow (Community Development Director), Barry LaRoy (Utilities Director), and Patrick Lewis (Engineering / Public Services Director)**
