George Brown, City Manager gave a brief overview of the potential ballot issues: Clerk-Treasurer's position, Civil Service Commission, Chief of Police, Chief of Fire, Appointed Officials, Mayor and Council's terms of office and the obsolete offices and positions. He explained that some of the proposed resolution amendments can be presented at the same time on the ballot without causing confusion of the issues. He also indicated that if the Clerk-Treasurer position is an issue that Council would choose to put on the ballot, it should be addressed now because the position will be up for re-election again during the General Election on November 1, 2011.

Following discussion of the proposed Charter Amendments, Council adjourned at 7:19 p.m.
