Mayor Clark explained that tonight's meeting is a Joint Work Session with Citizens Planning Commission (CPC) and Downtown Development Authority (DDA) to review Goals & Objectives for FY 2014-15 and FY 2015-16. He said that the CPC, DDA and Economic & Community Development provided their 2014-15 Goals & Objectives including those for the Building Department and the Recreation Department. City Council also provided a list of their Goals & Objectives for FY 2014-15.

Each member of Council, the CPC and the DDA briefly reviewed their goals, as well as the Director of Economic & Community Development.

Mayor Clark asked the members of the three committees to put their thoughts in an email regarding their top goal and send it to him; then afterwards they will meet again to go over those ideas and prioritize the goals for each committee.

Following discussion, Mayor Clark declared the meeting adjourned at 7:19 p.m.
